A CALIFORNIA STATE AGENCY

## MEMORANDUM

Date: September 15, 2022

To: Delta Stewardship Councilmembers

From: Jessica R. Pearson, Executive Officer

Subject: Upcoming Council Meeting – September 22, 2022

---

This month's meeting will take place at the Tsakopoulos Library Galleria's East meeting room and will feature a public workshop on draft amendments to the Council's Administrative Procedures Governing Appeals ("Appeals Procedures"). The draft amendments emerge from the Council's experience with appeals proceedings and the Council's 2019 Five-Year Review of the Delta Plan. This Council workshop is intended to provide information and solicit input from the public on the proposed draft amendments. Staff will present draft revisions to the Appeals Procedures for discussion and Councilmember input, with the intent to revise and bring them back for adoption at a future Council meeting, pending Council input and direction on the next steps.

We will also hear from Delta Watermaster Michael George. Mr. George will provide an overview of his office's current efforts concerning the drought and dry-year risk mitigation planning. He will also discuss how the Delta fits into the current process of developing voluntary agreements to update and implement the Water Quality Control Plan for the San Francisco Bay/Sacramento-San Joaquin Delta Estuary.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-4500 or [jessica.pearson@deltacouncil.ca.gov](mailto:jessica.pearson@deltacouncil.ca.gov).
