Subject: Upcoming Council Meeting- July 27, 2023

The Council will host this month's meeting at Peter's Steakhouse in Isleton, a historic town located in the Delta and legislatively identified Legacy Community. The meeting will be held in the upstairs banquet area, which has been restored to reflect the history of the building.

This month the Council will hear an update from Council staff on the 2023 Delta Plan Five-Year review. Council staff will give a presentation on Delta Adapts and their recent Stakeholder Workgroup Meeting held June 6, 2023. The Department of Water Resources (DWR) will provide an update on the Delta Conveyance project. Additionally, DWR will join Council staff to discuss the Developing Environmental Literacy, Taking Action (DELTA) Education Program and the Delta Science Program's focus on science communication. Finally, Council staff will outline technical revisions made to the Delta Levees Investment Strategy (DLIS) proposed rulemaking since the Council's adoption of the proposed DLIS rulemaking in February 2023. Staff will also provide a summary of comments received during a 15-day public comment period on the revisions. The Council will consider approval of Resolution 2023-05 to adopt the revisions and submit the rulemaking package to the Office of Administrative Law.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-4500 or jessica.pearson@deltacouncil.ca.gov. I look forward to seeing you in Isleton!
