

Conforming Changes to the Delta Plan related to the Proposed Amendment

Requested Action: As part of the proposed amendment to refine the Delta Plan performance measures, including the adoption of the revised Appendix E (containing all of the administrative, output and outcome performance measures), the Council authorizes staff to make conforming changes to the Delta Plan, including, but not limited to, the following:

- **Chapter 2** (page 46)
 - Update “Performance Measures in the Delta Plan” information box
 - Delete the second sentence of paragraph one that currently reads, “This initial set of performance measures will be expanded and refined after adoption of the Delta Plan and will be considered for inclusion in subsequent updates of the Delta Plan.” This sentence will no longer be needed after the Council adopts the refined and new performance measures.
 - Update paragraph three that currently reads, “Administrative performance measures are included in Appendix E. Output and outcome performance measures, where appropriate, are included at the end of individual chapters.” to read “All performance measures are included in Appendix E.”
- **Chapter 3** (pages 110-111)
 - Remove the *Performance Measures* section at the end of the chapter.
- **Chapter 4** (pages 156-157)
 - Remove the *Performance Measures* section at the end of the chapter.
- **Chapter 5** (pages 199-200)
 - Remove the *Performance Measures* section at the end of the chapter.
- **Chapter 6** (page 236)
 - Remove the *Performance Measures* section at the end of the chapter.
- **Chapter 7** (page 278)
 - Remove the *Performance Measures* section at the end of the chapter.
- **Table of Contents**
 - Update to reflect all changes above.
