Our upcoming Council meeting will be held at the Park Tower Plaza, 2nd Floor Conference Center, 980 Ninth Street, Sacramento, CA 95814. The agenda and supporting materials for the meeting are attached, and some additional handouts may be provided at the meeting.

Among the items we'll discuss during the meeting:

- **Update on Development of Delta Plan Amendment(s) Regarding Conveyance, Storage, and the Operations of Both to Achieve the Coequal Goals.** As part of the preparation for a potential Delta Plan Amendment on Delta Conveyance, System Storage, and the Operation of Both, the Council will be briefed about a current study of State and federal water project reoperations as well as preparations to fund new storage projects.
- **Update on the Delta Levees Investment Strategy.** The Council will be updated on work to develop updated priorities for State investments in Delta levees. Staff will discuss recent stakeholder outreach efforts and next steps in the deliberation process as we work towards an investment strategy for risk reduction in the Delta and Suisun Marsh.

As always, time for public comment on these agenda items, as well as any item of relevance to the Council, will be available. If I can answer any questions or provide any information, please contact me at (916) 445-4500 or jpearson@deltacouncil.ca.gov.

"Coequal goals" means the two goals of providing a more reliable water supply for California and protecting, restoring, and enhancing the Delta ecosystem. The coequal goals shall be achieved in a manner that protects and enhances the unique cultural, recreational, natural resource, and agricultural values of the Delta as an evolving place."
