Calendar: 6/15/2016 9:30 a.m. - Room 3191 SENATE ENVIRONMENTAL QUALITY, WIECKOWSKI, Chair
Summary: The Porter-Cologne Water Quality Control Act, within 30 days of any action or failure to act by a California regional water quality control board under specified law, authorizes an aggrieved person to petition the State Water Resources Control Board to review that action or failure to act. Current law authorizes the state board, in the case of such a review, upon notice and hearing, if a hearing is requested, to stay in whole or in part the effect of the decision and order of a regional board or of the state board. This bill would expand that provision to authorize the state board to issue a stay in the case of review by the state board of a decision or order issued under authority delegated to an officer or employee of the state board where the state board by regulation has authorized a petition for reconsideration by the state board.

Summary: Existing law includes specified requirements to replace plumbing fixtures that are not water conserving, defined as "noncompliant plumbing fixtures," to residential and commercial real property built and available for use on or before January 1, 1994, as specified. Existing law defines "commercial real property," "multifamily residential real property," and "water-conserving plumbing fixture" for purposes of these provisions. This bill would apply these requirements, as specified, to commercial real property regardless of when it was built. This bill contains other related provisions and other existing laws.

SB 1188 (McGuire D) Wildlife management areas: payment of taxes and assessments.

Summary: Would require a lead agency to call at least one scoping meeting to receive public comments for local projects for stormwater or dry weather runoff capture and reuse, water recycling, or wastewater treatment to improve water quality. Because a local lead agency would be required to conduct at least one scoping meeting, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

SB 1440 (Cannella R) Environmental quality: Water Quality, Supply, and Infrastructure Improvement Act of 2014.

Summary: The California Constitution provides for the delegation to the Fish and Game Commission of powers relating to the protection and propagation of fish and game. Current statutory law delegates to the commission the power to regulate the taking or possession of birds, mammals, fish, amphibia, and reptiles, except as provided. Current law establishes procedures that are specific to regulations adopted by the commission pursuant to this authority. This bill would clarify that those procedures apply generally to any commission regulation that governs the take or possession of any bird, mammal, fish, amphibian, or reptile, except as provided.
