1. **ULOP** = Urban Level of Protection as defined by SB 5 (2007); 200-yr protection for urban and urbanizing areas
FEMA 100-yr = Target level of protection for small communities, as defined by the Central Valley Flood Protection Plan
192-82 = Levee design geometry specified in DWR Bulletin 192-82
Suisun Marsh Plan of Protection = As recommended in the Suisun Marsh Plan of Protection
SWP = State Water Project, in consultation with the Division of Safety of Dams
The Central Valley flood Protection Plan may update the levee improvement type for project levees in the Delta
