SECOND SUPPLEMENT TO THE NOTICE OF PUBLIC HEARING

for the
California WaterFix
Certification Number C20185

On September 14, 2018, the Delta Stewardship Council (Council) issued its Notice of Public Hearing regarding the appeals of the certification of consistency submitted on July 27, 2018, by the California Department of Water Resources (Department) for the California WaterFix (certification number C20185) (Certification). In that [Notice](#) (see pages 4-5), the Council specified the presentation order and time limits for the Parties and the Delta Protection Commission (Commission). This document modifies the presentation order and time limits regarding the opportunity for closing statements by the Appellant Groups and the Commission. Except as expressly described here and in the September 28 Supplement, the September 14 Notice of Public Hearing remains unchanged.

Opportunity for Closing Statements

If the Department chooses to reserve a portion of its 60 minutes to make a closing statement after the Commission and Appellant Groups have made their respective 30-minute statements, each Appellant Group and the Commission will have an additional 5 minutes after the Department's closing statement to make their own closing statements, if desired. Such closing statements will take place prior to commencement of the Public Comment period, beginning with the Commission and proceeding in order through each Appellant Group.

If Appellant Groups and/or the Commission wish to coordinate their closing statements and consolidate their time (e.g., two Appellant Groups co-present for a total of 10 minutes), please notify the Council no later than Monday, October 15, 2018, at: waterfixcert@deltacouncil.ca.gov, and copy all parties on the Service List.

If the Department chooses to use its full 60 minutes at the beginning of the hearing and not make a closing statement after the Commission and Appellant Groups have made their statements, then there will be no need for the Appellant Groups and Commission to make additional 5-minute closing statements at the close of their 30-minute statements.
