Re: Comments on Sixth Draft of Delta Plan

Dear Chairman Isenberg and Council Members:

Our firm represents a number of agencies in Placer, Sacramento, Yolo and Yuba Counties that have long been involved in the Council's development of the Delta Plan. Those agencies are the Cities of Folsom and Roseville, Browns Valley Irrigation District, Sacramento Suburban Water District, San Juan Water District, Yolo County Flood Control and Water Conservation District and Yuba County Water Agency. On behalf of these water agencies, we join in the comments on the sixth draft Delta Plan submitted by the North State Water Alliance and by the Association of California Water Agencies for the Ag/Urban Coalition.

Kind regards,

Ryan Bezerra
