

**Delta Stewardship Council
Delta Plan Interagency Implementation Committee**

I. CHARGE:

The Delta Plan Interagency Implementation Committee (DPIIC) will serve as a forum to discuss, consider and orchestrate the timely and orderly implementation of actions consistent with the policies and recommendations outlined in the Delta Plan and, more specifically, with the annual priorities set by the Council. This effort will further the achievement of the coequal goals in a manner that protects and enhances the Delta as an evolving place.

The DPIIC will interact with and report to the Council on implementing agency task priorities, identifying obstacles to and opportunities for success. The DPIIC Chair shall have discretion to raise any issue related to the Delta Plan for DPIIC discussion and consideration. The DPIIC will undertake efforts to maximize government efficiency, provide leadership and accountability, and highlight where agency alignment will have the greatest positive impact.

II. Objectives:

- Monitor and assess progress of priority actions and agency activities to implement the Delta Plan;
- Synthesize interagency activities to improve efficiency and effectiveness, assembling work groups as needed to address specific impediments to progress;
- Identify opportunities for integration and leveraging of funding among state and federal agencies;
- Support existing collaborative efforts and interagency agreements that contribute to Delta Plan implementation;
- Assist in the ongoing development and tracking of Delta Plan performance measures;
- Coordinate regulatory actions on significant projects to implement the Delta Plan, as appropriate;
- Identify funding needs and support development of a finance plan to implement the Delta Plan;
- Build effective policy-science interactions between resource decision-makers and scientists;
- Showcase successes where coordination efforts are effective; and
- Prioritize transparency and receipt of public stakeholder input.
