---

To whom it may concern:

I am a resident of Contra Costa county and would like to comment on the proposed peripheral canal. I am AGAINST this proposal. LEAVE OUR WATER IN NORTHERN CALIFORNIA. Do not send it to southern California. Having this canal will damage both our recreation and natural habitat. The two-tunnels project considered would restrict navigation in our waterways and I do not see how it really does any good having them.

Thank you,

Susan Barrow
