PLEASE WRITE COMMENT BELOW: I am the Board President of the Bethel Island Municipal Improvement District. The Board of Directors, along with various members of the community, have reviewed the Final Staff Draft Delta Plan and are

concerned with the misrepresentation of the status of Bethel Island contained therein. We feel that to include the Delta Coves Project as a Legacy Community,

while excluding the rest of the island, is an injustice to the island and Delta

community as a whole. We would like for your council to visit Bethel Island and

see for yourself the true nature of what our community is about. We would be happy to facilitate a tour of the island at your convenience.
