

Errata #3, Which Modifies the November 2011 Draft Program EIR (Vol. 1 of the Delta Plan Program EIR)

as of and posted on Council website May 14, 2013

NOTE TO REVIEWER:

These errata include minor edits and corrections to Volume 1 of the Draft Program Environmental Impact Report for the Delta Plan. These revisions do not result in new significant environmental impacts, do not constitute new information, and do not alter the conclusions of the environmental analysis.

Page Number	Line(s)	Draft PEIR Text	Revised Text/Change	Date Revised
2A-67	22-24	that existing relevant plans and policies would continue, which includes reasonably foreseeable modified or new plans or policies that are currently being analyzed for adoption or are required to be adopted.	that existing relevant plans and policies would continue, which includes reasonably foreseeable modified or new plans or policies that are currently being analyzed for adoption or are required to be adopted.
