

Delta Independent Science Board Report

Summary: Dr. Richard Norgaard, Chair of the Delta Independent Science Board (ISB), will report on outcomes of a February 18, 2011 Delta ISB teleconference meeting.

Delta Independent Science Board

Chair Norgaard will brief the Council on the outcomes of the Delta ISB's teleconference held on February 18, 2011 including how they will approach their review of the first publicly released draft of the Delta Plan. Norgaard will also discuss the Delta ISB's proposed schedule for reviewing and submitting comments.

Additional items covered during the teleconference can be found in the attached agenda.

The Delta ISB meeting notice and materials are posted online at:
