AB 685 (Eng D) State water policy.

Introduced: 2/17/2011

Status: 3/3/2011-Referred to Com. on W., P. & W.

Summary: Would declare that it is the established policy of the state that every human being has the right to clean, affordable, and accessible water for human consumption, cooking, and sanitary purposes, that is adequate for the health and well-being of the individual and family. The bill would require all relevant state agencies, including the Department of Water Resources, State Water Resources Control Board, and State Department of Public Health, to employ all reasonable means to implement this state policy. Those state agencies would be required to revise, adopt, or establish policies, regulations, and grant criteria to further this state policy, to the extent that those actions do not affect eligibility for federal funds.

Position

Watch

AB 745 (Valadao R) California Water Plan.

Introduced: 2/17/2011

Status: 2/18/2011-From printer. May be heard in committee March 20.

Summary: Existing law requires the Department of Water Resources to update every 5 years the plan for the orderly and coordinated control, protection, conservation, development, and use of the water resources of the state, which is known as the California Water Plan. This bill would make technical, nonsubstantive changes to that requirement.

Position

Watch

AB 763 (Berryhill, Bill R) Water rights: administrative procedures.

Introduced: 2/17/2011

Last Amend: 4/12/2011

Status: 4/13/2011-Re-referred to Com. on W., P. & W.

Summary: Would additionally authorize the board to employ administrative law judges meeting specified qualifications and to authorize an administrative law judge to conduct hearings and issue decisions and orders relating to the administration of water rights, as specified. The bill would

authorize any hearing or investigation of the board to be conducted by an administrative law judge, with a specified exception. This bill contains other related provisions and other existing laws.
