

Lead Scientist's Report

Summary: This report covers the ongoing planning and development of the Delta Science Plan.

The Proposed Final Draft Delta Plan recommends that the Delta Science Program develop a Delta Science Plan that addresses among other items, a collaborative institutional and organizational structure for conducting science in the Delta (Delta Plan recommendation GR 1). The Lead Scientist will present current Delta Science Plan concepts including application to the Delta Plan. Next steps for development of the Delta Science Plan will also be proposed.
