May 13, 2013

To: Jerry Meral, Deputy Secretary  
California Natural Resources Agency

From: Dr. Richard B. Norgaard, Chair  
Delta Independent Science Board

Subject: Administrative v. public draft BDCP Environmental Impact Report/  
Statement

**Chair**

Richard Norgaard, Ph.D.

**Vice Chair**

Tracy Collier, Ph.D.

**Members**

Brian Atwater, Ph.D.

Elizabeth Canuel, Ph.D.

Edward Houde, Ph.D.

Judy Meyer, Ph.D.

Jay Lund, Ph.D.

Vincent Resh, Ph.D.

John Wiens, Ph.D.

Harindra Fernando, Ph.D.

The Delta Independent Science Board is getting a head start on its review of the BDCP Environmental Impact Report/Statement by working from the administrative draft. Our efforts, and those of others who are starting their review from the administrative draft, would be greatly simplified if BDCP could provide a summary or a red-lined version that shows changes between the administrative and public drafts.
