Dear Chairman Isenberg, Council, and Staff

On behalf of the SJCOG, Inc. as a part of the Northern California Conservation Planning Partners, we are submitting an additional comment on the Final Draft Delta Plan supplementary to Steve Dial's letter dated January 14, 2013 on the Draft Delta Plan and PEIR. We would like to see the following strikeout change for Chapter 4:

Chapter 4-Protect, Restore, and Enhance The Delta Ecosystem Restore Habitat (page 156)

21 Community Conservation Plan/Habitat Conservation Plan that was (1) developed by a local government
22 in the Delta and (2) approved and permitted by DFG ~~prior to the effective date of the Delta Plan~~ are
23 ~~presumed to be consistent with the ecosystem restoration policies of this chapter of the Delta Plan.~~

Thank you for your consideration of this request. If you have any questions, please give me a call at 209-235-0600 or send me a note at mayo@sjcog.org.

Sincerely,

STEVEN MAYO
Program Manager
