Mr. Joe Grindstaff
Deputy Secretary for Water Policy
CA Resources Agency Suite 1311
1416 Ninth Street
Sacramento, CA 95814

Dear Mr. Grindstaff:

On behalf of the Board of Directors of the Yolo Basin Foundation I am attaching the following statement regarding proposed conservation measures in the Bay Delta Conservation Plan.

I am looking forward to our field trip on October 16th from 9 am – 12:00. We feel that it is important that policy makers see first hand the partnerships at work on Yolo Bypass Wildlife Area.

Here are directions to the Yolo Basin Foundation office at the Yolo Bypass Wildlife Area Headquarters.

From Interstate 80 West take the Mace Boulevard Exit in Davis. Turn left at off-ramp light. Turn left at the next light at the Mace Boulevard and Chiles Road intersection. Travel approximately 1.5 miles east to the Yolo Bypass Wildlife Area Headquarters office at 45211 County Road 32B (Chiles Road).

We are located in the portable building directly behind the Fish and Game office building. There is parking in front of our office on the gravel road (second gate off Mace at 45211 CR 32B.)

Please call me at (916)996-0002 if you have any questions. We appreciate that you are willing to take time out of your busy schedule to see the Wildlife Area.

Sincerely,

Robin Kulakow
Executive Director
