This month, our meeting will start at 9:00 AM in the, 2nd floor conference room at Park Tower, 980 9th Street Sacramento, California.

At the meeting, staff will discuss the draft Public Participation Plan. A plan that provides details on the Council's public engagement activities, highlights, and additional information about how the public and stakeholders can engage in the Council's work. Today's discussion kicks off a 30-day public comment period, and the Plan will return to the Council for endorsement later this spring.

Moreover, staff from the Department of Water Resources and the Delta Conveyance Design and Construction Authority will provide the Council with an update on stakeholder engagement activities and the Notice of Preparation relating to water conveyance infrastructure in the Delta.

If I can answer any questions or provide any other information, please contact me at (916) 445-4500 or jessica.pearson@deltacouncil.ca.gov.

"Coequal goals" means the two goals of providing a more reliable water supply for California and protecting, restoring, and enhancing the Delta ecosystem. The coequal goals shall be achieved in a manner that protects and enhances the unique cultural, recreational, natural resource, and agricultural values of the Delta as an evolving place."
