MEMORANDUM

To: Delta Stewardship Councilmembers

From: Jessica R. Pearson, Executive Officer

Subject: Upcoming Council Meeting – June 27, 2024

This month, Council staff will hear an update from the Sacramento-San Joaquin Delta Conservancy and the Delta Protection Commission on recent agency activities. Delta Science Program (DSP) staff will present on a key portion of their mission, the independent scientific peer review services they provide. For this presentation, a panel of DSP staff will be joined by representatives from the Department of Water Resources (DWR) and the U.S. Bureau of Reclamation to discuss the value of these services, and how what is learned is applied by managers. This month's agenda will also include an update from DWR on ongoing activities concerning the Delta Conveyance Project, including information from the recently released cost estimates for the project.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-4500 or jessica.pearson@deltacouncil.ca.gov.
