## 9. Chair's Report

- a) Delta Plan Interagency Implementation Committee Restoration Subcommittee Update (Information Item)

## 10. Executive Officer's Report

The Executive Officer will provide an update on the Council's activities and provide the Council with outgoing correspondence, the Outreach Highlights Report, the Active Projects List, Quarterly Contract Report, and other relevant documents.

- a) Legal Update (Information Item)
- b) Legislative Update (Action Item)

The Council may discuss current legislation that could affect the Council and/or implementation of the Delta Plan and may take action to express support, opposition, or seek to amend any of the bills listed in the monthly legislative report.

11. Lead Scientist's Report (Information Item)

Delta Lead Scientist Dr. Laurel Larsen will update the Council on Delta Science Program activities. The Lead Scientist Report provides the Council with unbiased advice on matters of scientific importance in the Delta. In addition, the monthly report offers an opportunity for discussion of relevant advances in science impacting the Delta and highlights Delta Science Program activities.

12. Presentation from Staff to the Council to Receive for Consideration, and Potentially Accept, the 2022-2026 Science Action Agenda (Action Item)

The Council will hear a presentation from staff to receive and consider acceptance of the 2022-2026 Science Action Agenda (SAA). The SAA is a four-year science agenda for the Sacramento-San Joaquin Delta that prioritizes and aligns science actions to inform management decisions, identifies major gaps in knowledge, promotes collaborative science, and builds science infrastructure. More information about the process for the development of the 2022-2026 SAA can be found at <https://scienceactionagenda.deltacouncil.ca.gov/>.

13. Delta Independent Science Board Update (Information Item)

Delta Independent Science Board (Delta ISB) Chair Dr. Stephen Brandt will provide an update on the Delta ISB's activities, including the release of a Comprehensive Review of the Delta Monitoring Enterprise, available at <https://deltacouncil.ca.gov/pdf/isb/products/2022-03-22-isb-monitoring-enterprise-review.pdf>. To help inform Council activities, the Delta ISB provides the Council with independent scientific advice on the Delta Plan and reports findings and recommendations from Delta ISB reviews of scientific activities that support adaptive management in the Delta. More information about the Delta ISB can be found on our website at <https://deltacouncil.ca.gov/delta-isb/>.

14. Preparation for Next Council Meeting

ADJOURN

---

Members of the public shall be provided an opportunity to address the Council on any agenda item (except closed session items).
