

# Administrative Procedure Act Rulemaking Process

On September 21, 2023, the Office of Administrative Law approved the Delta Levees Investment Strategy rulemaking action pursuant to section 11349.3 of the Government Code. The [updated regulations](#) became effective on January 1, 2024.

Record of the Administrative Procedure Act Rulemaking Postings:

The text of the proposed regulations was modified on July 6, 2023, and is available for an additional 15-day public comment period beginning July 7, 2023, and closing July 21, 2023, 11:59 p.m. Information on how to submit a public comment can be found in the [Notice of Additional 15-Day Public Comment Period For Proposed Regulations for OAL File No. Z-2022-0816-07](#) and the latest modifications can be found in the [Proposed Amendment to Existing Regulation](#).

The text of the proposed regulations was modified after the November 17, 2022 hearing and an Addendum to the Initial Statement of Reasons and the Form 399 – Economic and Fiscal Impact Statement has been added to the rulemaking file. **Public comment period for Modification to Text of Proposed Regulations and Addendum to Initial Statement of Reasons and Form 399 – Economic and Fiscal Impact Statement has now closed.**

[Notice of Modification to Text of Proposed Regulations and Addendum to Initial Statement of Reasons and Form 399 – Economic and Fiscal Impact Statement](#)

*This document announces the availability of the rulemaking documents for review and public comment. The Notice includes a summary description of the proposed regulation, the authority under which it is proposed, its relationship to other laws and regulations, and a statement summarizing any fiscal and economic impacts.*

[Addendum to Initial Statement of Reason and Form 399 – Economic and Fiscal Impact Statement](#)

*This document describes the modifications made in response to public comments. Missing footnotes have also been provided.*

[Proposed Modifications to Amendment to Existing Regulation](#)

*This document identifies the text of the proposed regulation amendment.*

**The written public comment period is EXTENDED through 11:59 PM on November 16, 2022. The public hearing date is RESCHEDULED from October 27, 2022, to November 17, 2022.** Any interested person, or an authorized representative, may submit written comments relevant to the proposed regulatory action. **View the revised Notice of Proposed Rulemaking to learn how to submit public comments.**

Comments will also be received at a public hearing on **November 17, 2022**, at the Council's public meeting. This item will be considered at a regularly scheduled public meeting of the Council, which is anticipated to commence at 9:00 AM. This item may be heard at any time during the regularly scheduled meeting. A meeting notice that confirms the time at which this agenda item will be considered will be available on the Council's [meetings web page](#) at least ten days before the meeting.

**The following corrected documents were submitted to the Office of Administrative Law (OAL) and assigned the notice file number: Z-2022-0909-01.** They are available for download and review by clicking on the links provided below.

[Revised Notice of Proposed Rulemaking \(205 KB\)](#)

*This corrected document announces the availability of the rulemaking documents for review and the time and location of the public hearing. The Notice includes a summary description of the proposed regulation, the authority under which it is proposed, its relationship to other laws and regulations, and a statement summarizing any fiscal and economic impacts.*

[Corrected Proposed Amendment to Existing Regulation \(648 KB\)](#)

*This document identifies the text of the proposed regulation amendment.*

**The following documents were submitted to the Office of Administrative Law (OAL) and assigned the notice file number: Z-2022-0816-07.** They are available for download and review by clicking on the links provided below.

[Notice of Proposed Rulemaking](#) (205 KB)

*This document announces the availability of the rulemaking documents for review and the time and location of the public hearing. The Notice includes a summary description of the proposed regulation, the authority under which it is proposed, its relationship to other laws and regulations, and a statement summarizing any fiscal and economic impacts.*

[Initial Statement of Reasons](#) (including Attachment 1, Economic and Fiscal Impact Assessment) (3 MB)

*This document describes the purpose of each provision in the proposed amendment to the regulation and how the provision is reasonably necessary to achieve that purpose. It also discusses the benefits, reasonable alternatives considered, and the Council's reasons for selecting the amendment to the proposed regulation. Additionally, Attachment 1 is a supporting document evaluating the questions addressed in the Economic and Fiscal Impact Statement (Form STD. 399) as well as a Cost Analysis describing expected costs and benefits of the proposed rulemaking.*

[Economic and Fiscal Impact Statement](#) (415 KB) (Form STD. 399)

*This document is a standardized form that summarizes the potential effects of the regulation on private businesses and individuals, including effects on the cost of housing. It also provides an assessment of the proposed regulation's fiscal impact on local governments, State government, and federal funding of State programs.*
