**Website Accessibility Certification**

**State Agency: Delta Stewardship Council**

The Delta Stewardship Council is committed to making our website equally accessible for all visitors. The undersigned certify that, as of June 28, 2019, the internet website of the Delta Stewardship Council is designed, developed, and maintained to be in compliance with California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines (WCAG), with the following statement of partial compliance:

This website does not conform, but would conform to WCAG 2.1 at a Level AA standard or higher if the following non-conforming parts were removed:

- Historical documents in PDF, identified as the Delta Plan and Delta Science Plan

We are working diligently to achieve full compliance. We strive to maintain all information at acceptable accessibility levels, but some of the older and historical documents, which provide content that is mission critical or of significant public interest, may not meet the defined standards. If you have difficulty accessing any material on our website, please contact us and we will correct the problem or provide the information in an alternative format. You can report web accessibility problems by sending an email to [accessibility@deltacouncil.ca.gov](mailto:accessibility@deltacouncil.ca.gov).

*"Coequal goals" means the two goals of providing a more reliable water supply for California and protecting, restoring, and enhancing the Delta ecosystem. The coequal goals shall be achieved in a manner that protects and enhances the unique cultural, recreational, natural resource, and agricultural values of the Delta as an evolving place."*
