KICKOFF MEETING: Delta Climate Adaptation Team

June 30, 2026
1:30 PM-5:00 PM

715 P Street, Sacramento,
CA & virtually on Zoom

Be part of a new interdisciplinary team advancing resilience in California's Sacramento-San Joaquin Delta!

Recent research shows practitioners are looking to the Delta Stewardship Council to continue leading collaborative, action-driven adaptation efforts. In response, this group will support implementation of the Council's Delta Adapts Adaptation Plan by:

- Bringing practitioners together
- Highlighting case studies and practical resources
- Creating opportunities to coordinate around funding and implementation

Stay tuned for registration info and meeting agenda, which will be coming later this spring on deltacouncil.ca.gov/delta-plan/climate-change. In the meantime, please email any questions to climatechange@deltacouncil.ca.gov.
