Instagram Live  
@deltastewardshipcouncil

## Event Details:

Join Delta Lead Scientist Dr. Laurel Larsen and the Delta Stewardship Council's California Sea Grant Social Science Extension Specialist Dr. Jessica Rudnick to discuss the Sacramento-San Joaquin Delta's social science community and recent efforts to integrate social science into general scientific undertakings in the region. The discussion will highlight a new Delta residents survey, how social science research is funded, and the growing Social Science Community of Practice. Questions are encouraged via the Instagram Live comments section!

Recordings of previous sessions are archived within the Council's IGTV.
